Austin College has been a college for the merit elite since
1849. It has Ivy League quality in an uncrowded "you all" at-
mosphere. Students do not come here for suave blandishments
of status quo. They learn to live in respect for their own po-
tential for changing into happier, nobler, more intelligent
members of society, working through a Christian perspective.

CHROMASCOPE 1968

AUSTIN COLLEGE
FOUNDED 1849

THIS WALL ENTRANCE OPENED 1881
0.4 DIFF FROM THE AUSTIN COLLEGE STYLE

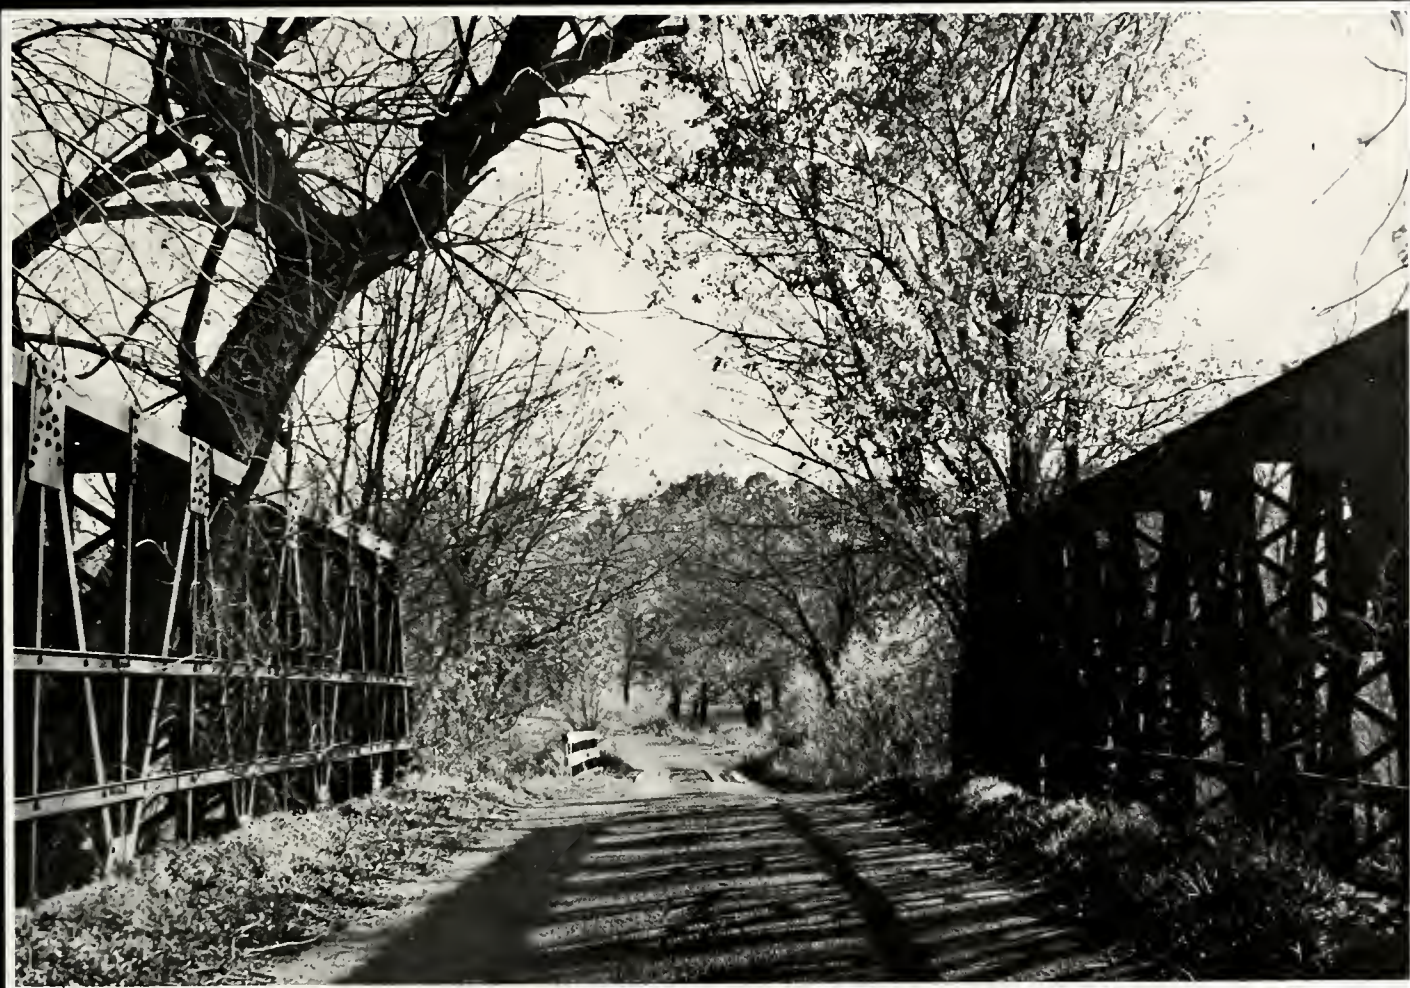

As subtle as memory

The idea lies in my just-beyond-recall,

Unrecognized

but performed daily to various audiences . . .

I am changing every moment I exist.

It is difficult
to record the changes in a person,
but the effect of the changes is not imperceptible
as his outlook, actions, achievements project them ...
even as they shift again.
Life is like a kaleidoscope. It is
always changing, and the beautiful moment just past
cannot be recaptured ... One must seek the next.
College is full of moments progressing this way ...
Here is our 1968 CHROMASCOPE with a few images to pin down
a million emotions
and perhaps to recall
some of the instants we were changing ...

ADMINISTRATIVE DEAN PAUL W. BEARDSLEY

—An exciting teacher,
sincere friend, committed Christian,
and hard-working administrator . . .

You said goodbye to Mortimer, the ghost of the old
Arena . . .

But you stayed to give of yourself to Austin College.

The recipients of this gift dedicate the 1968
CHROMASCOPE to you . . .

a leader in whom we can trust, as all about us
shifts and changes.

Everything we learn changes us . . .

**and, as we

Austin
College
changes . . .**

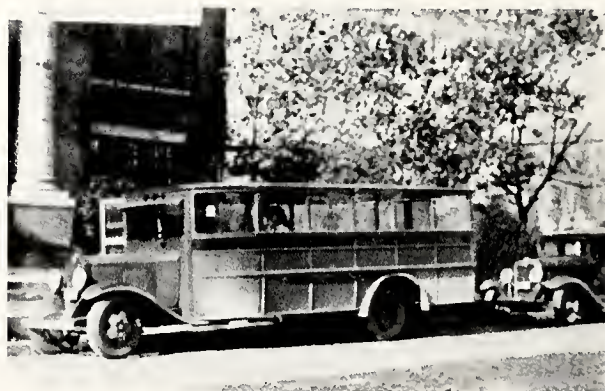

**So that no four years
are ever the same . . .**

We do not succeed in changing things according to our desire, but gradually our desire changes. The situation that we hoped to change because it was intolerable becomes unimportant. We have not managed to surmount the obstacle, as we were so absolutely determined to do, but life has led us round it, led us past it, and then if we turn round to gaze at the remote past, we can barely catch sight of it, so imperceptible has it become.

—Proust, *Remembrance of Things Past*

Look at the face of Austin College's changes over the years ... in 1849 the Old Prospect Church was the site of our conception ... the college was later moved from Huntsville to Sherman, Texas ... the White Knight is nothing new ... the old College building was burned down by a crazed sophomore ... the oldest YMCA west of the Mississippi went down so Dean Hall could look North unmolested ... in 1965 everyone stumbled to class over permanently rain-buckled boardwalks and somehow Moody Science raised its roof ... the Cern Building was formerly a dynamo called the Power House ... and the College changes materially as well as philosophically just because the people bring new concepts to it.

DEAN ROLLIN ROLFE

1893-1968

He loved Austin College—

we were his family.

He knew Austin College—

he told us the history of our changes.

He reminded us of our past, and had high hopes for our future—

he smiled and tipped his hat to the present.

Austin College has lost something fine

now that Dean Rollin Montfort Rolfe is gone.

No other graduating class of Austin High College has seen more change than the senior class of 1968.

We have watched and participated as the honor system was conceived and given life . . .

We have enjoyed the new facilities of Dean Hall and the Moody Science Building . . .

We have even seen the freshmen scorn beanies for sombreros! . . .

Yet we have survived it all and look forward to the last of the revolutions: graduation.

Four years leaves time for self appraisal and fellowship—a sense of “us” which in one way we shall have to relinquish after May.

Yet we are not unprepared, for life is a series of changes, and Austin has been our world throughout its changes these past four years.

AUSTIN SCHOLARS

Left to right: David Dean, Patricia Thompson, Stephen Johnson, and Timothy Flynn.

Begun this year, Austin Scholars is an academic honors program with membership limited to 10 percent or fewer of an entering freshman class.

The program is designed to grant maximum freedom in planning the academic course work and coordinate education program to fulfill individual needs and interests. There are no general graduation requirements for the Austin Scholars. Each pursues an individually designed program of study prepared in consultation with his faculty advisor.

The pursuits of the Austin Scholars may extend beyond the campus with special emphasis placed on appropriate study abroad, study in another college for a term, work or study in another culture, apprenticeship in business or industry, and religious or social service.

Applications are encouraged from students of unusual ability, who, through past achievements have given evidence of such traits as scholarly promise, exceptional creativity, intuitive perception, and independence of thought.

To further their understanding of law is the main objective of the Pre-Law Society of Austin College. Under the leadership of officers Kirby Thomas, Jeff Harkinson, Jim Johnson, and Carl Goolsby, it also strives to provide a channel of contact with the legal field for those interested in law as a profession. The Editor of the 1928 CHROMASCOPE, Ted Bomar, concluded his book with these words:

"To the Chromascope editors of the future, we extend our felicitations. Some people are born crazy, some are temporarily insane, and others edit a yearbook."

He knew what he was talking about, and I'm sure he was as proud of his book as I am of mine, forty years later. The work and worry will be worthwhile if this CHROMASCOPE keeps alive the memory of Austin College, 1967-68.

SPORTS

FOOTBALL

The Austin College Kangaroos fought gallantly for an excellent 1967 season record of six wins and three defeats. The tough Roos did not lose a home game as they continuously pleased the cheering crowds in Louis Calder Stadium. The final game brought an end to the brilliant college careers of seniors George Cox, Randy Miller, Mike Maloney, Bob Smith, and Jerry Foreman. However, many young, yet experienced lettermen brighten the prospects of the Roos in future seasons. Roland Rainey set a school scoring record with 72 points. Mike Maloney gained 1040 yards, breaking his own season and school record. This yardage gave him a record breaking career total of 2720 yards at Austin College. Individual Roo statistic leaders are as follows:

Kangaroos Hop On Donkeys

The fighting Austin College Kangaroos opened their season with a one-sided 37-6 romp over the out-classed Mexico Poly White Donkeys. Mike Maloney led the Roos to a 29-0 halftime lead. The final score could have been much worse, but all the reserves took over in the second half. Maloney led the attack with touchdowns on runs of three and thirty-five yards, he set up another score by throwing a 50-yard screen pass. Bob Smith took the ball in from the four for the touchdown.

Mexico Poly's lone score came in the third quarter. The final Austin College scores came on a 76-yard bomb from Wes Eben to Mike Toon and a 55-yard touchdown toss from Bill Winter to Fred Maples.

In the first quarter, Maloney carried over from the four for the first touchdown. Bob Smith followed with a one-yard plunge to end Austin's scoring. Bob Sheffield converted after both touchdowns. Both teams were held scoreless in a second-half defensive battle. Mike Maloney led all rushers with 135 yards on 26 carries. Eben hit nine passes for 180 yards, four passes going to Roland Rainey for 90 yards. Don Fields preserved the victory with two interceptions.

Roos Fall — But Protest Upheld

The Henderson State Reddies snapped a 20-20 half-time tie to roll to a 41-27 victory over Austin. This ended the Hoppers' hopes for a perfect season. The game was played under an N.A.I.A. protest which was upheld to Austin College. Poor officiating had marred the game. Wes Eben led the Roos' first-half attack. He scored early on a one-yard run and then threw touchdown passes of 46 and seven yards to Roland Rainey.

But Henderson State ground out three touchdowns in the second half. The Hoppers' final score came in the fourth quarter when Eben ran from 12 yards out.

Austin College knocked off the previously undefeated and unscored upon Nebraska Wesleyan University Plainsmen, 27-0. Roland Rainey and Mike Maloney led the Roos' attack. Rainey ran for a nine yard score in the first quarter. After Neill Crockett blocked a punt, Rainey scored again with a 40-yard touchdown pass from Wes Eben. John Menefee caught a 14-yard scoring pass from Eben. The Hopper scoring was rounded out in the fourth quarter after a 22-yard touchdown pass from Bill Winter to Roland Rainey. Mike Maloney led all rushers with 131 yards on 24 carries. Nebraska Wesleyan never got inside the Roos' 25-yard line as Jerry Foreman, Teb Baker, Steve Hays, Randy Miller, Bob Schucany, and Dee Dearen led the defensive forces.

Kangys Sock It To The Tigers

Austin College scored twice in both the second and fourth quarters to roll over the University of the South, 29-6. The Roos rolled up 449 yards total offense in smashing the Tigers. The defense was also brilliant in limiting Sewanee to a lone touchdown, as the Kangys gained their fourth victory.

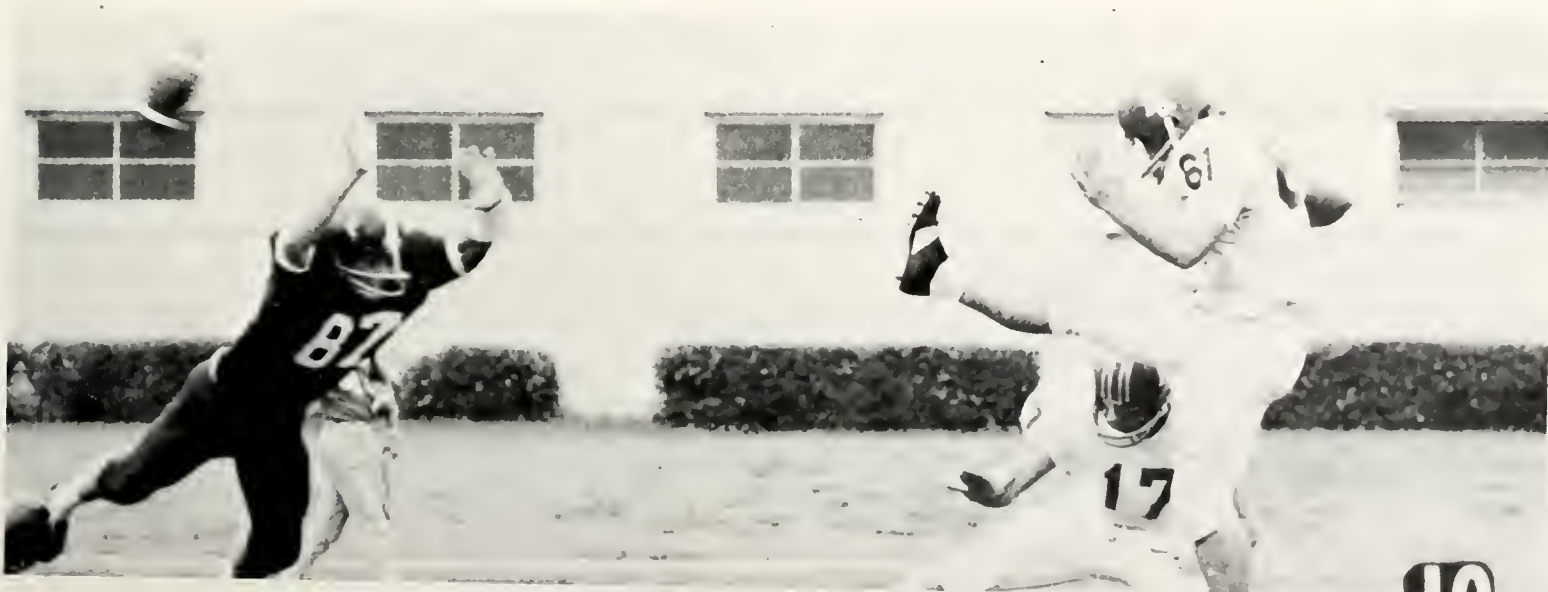

Chris Nyvall returned a punt 38 yards to the three to set up the first Hopper score, a sweep by Eben. Sheffield converted. After Steve Hays recovered a fumble, Eben passed to Rainey for the touchdown. Toon caught another Eben pass for two points. Sewanee scored in the third quarter on a 98-yard drive. In the early fourth quarter, Rainey completed a 77-yard Roo drive with a six-yard dash. The final Roo score came late in the game after a short Tiger punt. Maloney crashed over from the two. Rainey completed the game with seven passes for 95 yards. Maloney got 127 yards on 29 carries, and Bob Smith carried six times for 56 yards.

Baptists' Prayers Are Answered

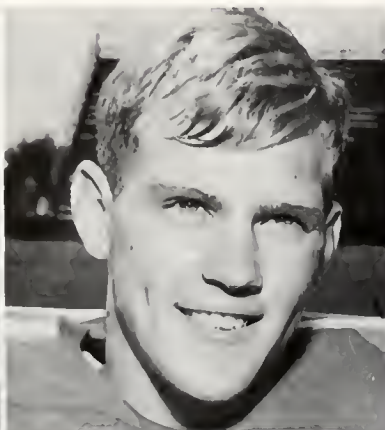

A bruising ground game by the Ouachita University Baptist handed Austin College its second loss of the season, 22-6. A stingy defense, as well as two touchdowns and two field goals, were too much for the Roos to overcome. The game was marred by 230 yards in penalties. The lone Kangy score came in the fourth quarter on a 40-yard pass from Wes Eben to Bob Smith.

Roos Romp

Austin College rolled to a 49-25 Homecoming Day victory over Colorado College led by Mike Maloney. Maloney broke his own single game rushing total with a brilliant 235-yard day. The first Hopper score came on a 23-yard pass from Wes Eben to Maloney. After a fast Tiger score, Neill Crockett blocked the extra point to lock the score at 6-6. In the early second quarter, Roland Rainey blasted out a touchdown from the one-yard line, followed by a two-point pass from Eben to Mike Toon. The halftime score grew to 29-6 with a one-yard run by Eben followed by another two-point pass to Toon, and a one-yard smash over the goal by Bob Smith, followed by Bob Sheffield's conversion. Early in the second half, Maloney scored from the one. Moments later, Rainey took a 34-yard scoring pass from Eben. Sheffield's conversion made it 42-6. Colorado then staged a mild comeback which fell far short. Roo scoring culminated with a 26-yard touchdown pass from Fred Maples to Ronnie Haygood, followed by Sheffield's conversion. In addition to Maloney's great day, Bob Smith carried 14 times for a respectable 97-yards. Leading the defensive forces were Jerry Foreman, Steve Hays, Dee Dearen, and Randy Miller.

Cardinals Squeak By Hoppers

The Austin College Kangaroos journeyed to Liberty, Missouri, only to suffer a defeat at the hands of the tough William Jewell College Cardinals. The sub-freezing weather made playing conditions rather unpleasant for the fighting Roos. It was one of the Hoppers' least notable games, as they lost the ball seven times on fumbles and pass interceptions. The Kangys didn't get on the scoreboard until the last 43 seconds, after trailing the Cardinals 21-0. Chris Nyvall returned a kick-off to set up the first touchdown, a pass from Eben to Bob Smith. The second touchdown came in the closing seconds after our defense forced a Cardinal fumble. Roland Rainey took an eight-yard pass from Eben across the goal, but the Roo rally had begun too late. The loss brought Austin's record to 5-3.

Kangys Pen The Bulldogs

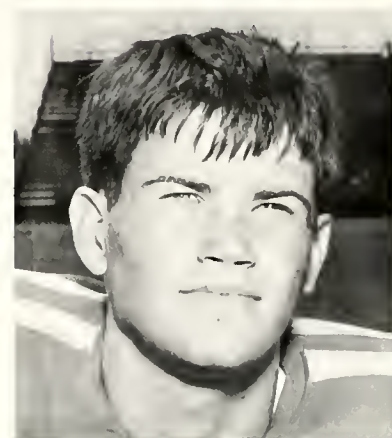

Austin College downed the Texas Lutheran Bulldogs 39-24, in a passing duel which saw the ball go aloft an amazing 95 times. The game completed the Roos season and gave them an excellent 6-3 record. The Bulldogs prized quarterback completed 31 passes for 441 yards. Wes Eben completed 18 for 285 yards. After an early Bulldog score, Eben ended a long drive with a one-yard scoring plunge and Bob Sheffield kicked the extra point to tie the score as the second quarter began.

However, the Bulldogs pulled out to a 17-7 lead. Rainey culminated another long Roo drive with a four-yard scoring scamper. Then an eight-yard touchdown pass from Eben to John Menefee put the Roos ahead for good at halftime by a 19-17 margin. Early in the third quarter, Mike Maloney scored from the one and Sheffield converted. But the Bulldogs came back and scored again. An 11-yard touchdown pass from Eben to Rainey and another Sheffield conversion gave the Hoppers a nine point lead.

But the game wasn't put on ice until Steven Schiff intercepted a Bulldog pass and ran it in from the 10-yard line late in the game. Rainey caught eight passes for 128 yards. His two touchdowns gave him 75 points for the season, a new school record. Maloney carried the ball 26 times for 92 yards. This gave him 1040 yards for the season 2720 for his career. He holds all Austin College rushing records.

The fighting AC Roos started the season with a loss to Baylor and were never able to regain momentum. Although possessing superior skill, the Hoppers were unable to overcome the height, depth, and shooting advantage of the much larger universities in addition to the prejudiced calls of evil referees. Although the Kangaroos won only five games, they did manage to set a few records. Joe Barrett hit his thousandth point in the Northwood game, becoming only the third player in AC history to achieve the feat.

Another notable mark was a team effort against TCU when they set a scoring record. Unfortunately, it was for most points allowed.

Coaching the Roos this year was Bill Long, assisted by Ralph McCord, who also coached the Junior Varsity.

Darkness At Noon

Rubashov (Joe Proctor) spends a quiet moment with Luba (Carol Wehking).

The first production of the Arena Theatre this year was Arthur Koestler's "Darkness at Noon." This dramatic representation of Russia after the Revolution was given intensity in the life of one man, Rubashov. Although he helped create the State, he was unable to sacrifice his humanity to continue living in it. A universal problem of values was realistically dealt with in this tense drama.

Rubashov's friend Ivanoff (Dimitrios Papadopoulos), who tried to get him to save himself was killed for his efforts.

The rigid Gletkin (Bruce Elliott) rejects Rubashov's emotions as treachery.

Austin College has been a college for the merit elite since
1849. It has Ivy League quality in an uncrowded "you all" at-
mosphere. Students do not come here for suave blandishments
of status quo. They learn to live in respect for their own po-
tential for changing into happier, nobler, more intelligent
members of society, working through a Christian perspective.
